Under Construction!

NEW 3D Floor Designs site on the way!

At 3D Floor Designs, customer satisfaction is our #1 priority.

We insist on providing exceptional craftsmanship to ensure that your vision for a new floor becomes a reality. We have thousands of selections from which to choose, including a vast array of tile, carpet, hardwood, vinyl, and laminate. To make your new flooring experience as simple and enjoyable as possible, our design and sales team makes the selection easy. Simply visit our 5,000 sq. foot showroom, or browse our on-line showroom from the comfort of your own home.

Better yet, let us come to you. Since we know your time is precious and limited, you can choose samples from our website, and our experienced and punctual sales staff will bring your selections right to you.

At 3D Floors, we know the safety of your home and business is paramount. We perform background and security checks on all of our installers so that you can be assured your valuables remain safe. Our dependable team knows the job isn't done until you are happy.

We know family, because we are a family. After more than a decade of licensed, bonded and insured quality work, our family wants you to feel comfortable. We treat customers how we would want to be treated by workers coming into our own home. So from the new business to the family business, or the new home to the old home, rely on the family at 3D Floors to bring you the best in quality flooring and design.
